Dear Praying Friends,

Many of our supporting churches have recently taken in some new members, or have gotten a new pastor, who knows very little, or nothing at all about us, and the ministry the Lord allows us to be a part of. Due to several recent inquiries, we thought it was needful to write a short report about ourselves and the missionary work the Lord is allowing us to do.

We live in Northwest Georgia, in a town called Chatsworth, Georgia (Murray County, GA). Rock of Ages Ministries World Outreach, (the home office & the print shop), are located in Southeast Tennessee in the town called Cleveland, Tennessee (Bradley County, TN). These two counties border each other. It is approximately 38 miles from where we live to where the home office of Rock of Ages Ministries (ROAM) is located. It takes us around 50 minutes to get from where we live to ROAM. The office is usually open Monday-Friday, 9am-5pm. We encourage you to look over the enclosed brochure and visit the ministry's website, as they will help you to understand more about this ministry.

The Lord called us to be missionaries in July 2013. We attended and completed missionary candidate school in September 2013. We have been commissioned & sent out from Concord Baptist Church in Fairmount, GA, to serve God as missionaries with this ministry, doing what we can to win unbelievers around the world, to the Lord Jesus Christ, and then to ensure that those who become believers, have what they need to "...grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ. To him be glory both now and for ever. Amen" (2 Peter 3:18).

The majority of our time serving as missionaries is used in the print shop, where we do many tasks to prepare and distribute Bibles, evangelistic literature and discipleship literature. As the Lord allows, we also help with the upkeep & maintenance work of the buildings and the property at the home office facility. The Lord also allows us to help other missionaries in various outreach ministries they are involved in, including, but not limited to: the educational (public & private schools), the correctional (federal, state, & local prisons & jails), and the military facilities around the world. We usually travel on Saturdays to get to the churches we minister in on Sundays. The Lord allows us many opportunities to testify, sing, teach, preach, and raise awareness of what He is doing in & through this ministry. None of this would be possible without the pastors and the local churches being a part of this work, and allowing us to represent them as missionaries in this field. Thank you very much for your faithful prayers and support, which the Lord is using to allow this work to continue!
