Dear Bro. Philbeck and Love Valley Baptist Church:

We greet you with great excitement for what the Lord is doing! As the psalmist said in Psalm 126:3, "The LORD hath done great things for us; *whereof* we are glad." In October, I told you that we needed a building to broadcast from. As I am writing this letter, we have the building, and Lord-willing, we will be moving into the building sometime in April! God, at this present time, has provided \$117,718. Some of this money went towards the down payment, and some of it went towards the renovations that needed to be made before we could move into the building. We were able to build two brand new radio studios. This building will allow us to operate more efficiently, and it will be better working conditions for our employees. It will be better all the way around for Gospel Broadcasting. We are continuing to accept donations to the building fund. You may mail your donation to the address above or make your donation by calling the office or using the PayPal link on our website. Please designate your donation for the building fund. All the remaining money after the renovations are completed will go toward paying off the building loan which is \$220,000. I am amazed at the what the Lord has done in just a few short months. I would like to thank each of you that have given. God has been so good to us.

Let me also remind you that sometime in the summer, we are planning to get WGBI 90.9FM on the air. This will be an FM radio station that is supposed to reach from Stuart, Virginia, to Yadkinville, North Carolina. We encourage you to download the GBI Radio App. This app will allow you to listen to WYZD Radio out of Dobson, North Carolina, WCOK Radio out of Sparta, North Carolina or our twenty-hour a day preaching station, PTG Radio. PTG Radio can only be accessed through the app or by going to our website.

Again, we say thanks to all of you for your continued support and prayers. One other note, if you would like to keep track of our building progress. We will have pictures uploaded to the Gospel Broadcasting Facebook page and we will keep you updated on when we plan to move into the new building. Hopefully sometime this summer we can also have an open house and welcome you.

May God bless you,

Bro. Ricky Cothren

Thank you for your support received: \$50 January and \$50 February.
