**January 2023**

Dear Pastor and Church,

In 2022 we saw 204 inmates get Saved. Thank you for helping us go to these prisons and preach the Gospel.

I just finished a three day revival in a prison in South Carolina. We had great crowds each night, saved men hungry for God's Word. Not long before that, we were at Bledsoe Correctional Institution in TN and had a record breaking crowd come out and three men came to know the Lord. Some prisons have been closed due to covid and now that they have opened back up the inmates are really coming out to the revival meetings. Pray that this continues to happen. I really love doing the prison ministry!

## **Inmate Testimonies**

### **Security Guaranteed**

This course builds my confidence and gives me assurance of salvation, and also displays God's love for me and those who believe in His Son.

-Truman L.

### **Christian Finances**

This would have been a good course for me 50 years ago.

-Larry S.

### **Basic Training for Christian Soldiers**

This course has shown me that I still have a long way to go to show God that I am His servant. With prayer, I hope God allows me to continue to grow and learn with faith, rather than visual proof.

-Clinton W.

### **Drugs & the Spirit**

Wow! I'm a drug addict (freed by Christ), and this information was simply overwhelming! How hard it is to find our way when we are so easily deceived by the evils of this world. Thank you, Jesus, for opening my eyes!

-Brandon B.

### **By Faith Through Faith**

Through these studies I'm now convinced of a few things that I didn't believe before – one can never lose his salvation, one can't do anything to keep salvation, and salvation is by faith alone.
