

## February Winter Report 2023

Hello! Hope everyone enjoyed bringing in the New Year! We are so thankful for what the Lord did in 2022 and we look forward to what HE will do in 2023!

We are so happy to share pictures of the place the Lord allowed us to buy for the church in La Paz, Bolivia. There were many ups and downs and even a point where we didn't think it would happen...BUT GOD!! He supplied the money through His people and we are humbled at how He did it!! To say "Thank You" just doesn't seem to be enough. But we are thankful to all the people and churches that got a burden to help with this project. We have prayed for years that this will be the first Independent Baptist Church in uptown district of the capital city of La Paz Bolivia and God did it! We are half a mile away from the Presidential Palace.

Even during the pandemic and losing the building we were renting, our people there have remained faithful. All the paperwork was signed and keys given just in time to have their first service at Christmas. God even worked it out that a man who gave is going with me to build pews, baptistery, and Sunday School rooms. This is so exciting and it's all praise to the Lord. We are grateful to each of you who support and pray for us!!

We are thankful for the Mission Conferences and Mission Days we have been allowed to preach in. Also at the end of the year we were in Puerto Rico, translating and preaching.

On December, the Lord blessed us with our first granddaughter and what a joy that has been!!

Please pray as we are planning to go to Bolivia in March. Thank you all for your prayers and support. We could not do what we do without you.

God Bless,  
**The Fannings**
