Meri Kirihimete Merry Christmas

DEAR PRAYER WARRIORS AND SUPPORTERS, [4TH QTR. 2022]

After 12 years, we are still not used to Christmas in the heat of summer. Kim decorates as if it were winter, and I love it! Her snowmen, decked throughout the house, remind me of Isaiah 1:18 which was set into motion in Isaiah 9:6-7.

GOSPEL TRACTS: Your support has taken our tract supply from nearly 0 tracts to 2 pallets printed and shipped. One pallet arrived, the another will soon. We became a tract distribution for New Zealand. With Covid behind us, these half a million tracts will start reaching hands and hearts of lost souls.

CHRISTMAS PARADE: We hand out several thousand tracts every Christmas, with a candy glued to each. Our parade will be over when you receive this letter, but please continue to pray for fruits for our labors.

HEALTH: Kim's appendix cancer scan came back clear. She will have this scan annually for life since it was a rare cancer. She also has a mammogram in December to monitor her breast cancer. My Covid has drawn out into Long Covid. My heart has enlarged slightly, and breathing isn't right. My cardiologist appointment has been moved to December 5th.

MEN'S RETREAT: We enjoyed a time of fellowship with church of like faith. With a 7-hour drive, this gave our men a lot of time of bonding and our new converts' spiritual growth.

CHURCH BUILDING: God has supplied a small hall for our church to rent, and a piano. Thank you for your prayers with that. Please continue to pray for a building of our own.

ELIZABETH: Elizabeth made it to university in Prescott, AZ. She is in a good Independent Baptist Church, inviting friends to church, and several have already attended. She is a faithful servant in college. I added her address as some churches have asked where to send her cards, packages, etc.
