The Ingrams Missionaries to Brazil

October 2022

Greetings in the name of our Lord and Savior Jesus Christ. We want to thank you for your prayers and support. We also want to thank everyone for their kindness and generosity during our short furlough. We praise the Lord that we were able to pick up new support while we were in the States. We made it safely back to Brazil at the beginning of September.

Upon our arrival in Brazil, I was invited to preach a faith promise missions conference in Pouso Alegre, MG. The theme was "With men this is impossible; but with God all things are possible.". The church has been doing faith promise for a number of years. At the end of the conference, the church increased their goal by over 30%. We praise the Lord for His working.

Our church had their first faith promise missions conference this month. The preacher was from a church that gives to missions. Our theme was "Lift up your eyes" from John four. The focus was on developing a vision for missions. On Saturday night we had an international banquet with foods from around the world. This was a new experience for our people as they aren't used to eating new foods. We are excited at the response of our people. Our people committed to give over R\$1500 to missions.

Please continue to pray for the radio ministry here in Cássia and in São Sebastião do Paraíso. Joshua was able to participate in the program last week reading the Scripture live on the air. He was very excited. We were very encouraged by those who told us that they pray faithfully for our broadcasts. We are on the radio in Cássia, Monday through Friday, 7:30am and 6:30pm. We are on the radio in São Sebastião every day at noon and on Friday from 3pm to 5pm. We would like to add more radio stations to this ministry. Please pray for this need.
