MISSIONARIES TO EAST AFRICA

February-March

Dear Pastors and Praying Friends, . . . area.

Hello from sunny and hot Uganda! We are currently in the dry season, and it is dry and dusty. These last months have been some of our most trying times since we've been here, but the Lord has been good to us through it all.

We have been continuing with the work at Grace Baptist Church. We have most of the church finished and we have moved in and have also begun midweek services. There is still much work to be done with the landscaping, fence, gate, and setting up the container when it arrives.

The other churches are doing well, and we are making weekly or monthly trips to be with them and encourage them in the Lord.

Please keep us in your prayers that we can get our vehicle running and dependable so we can get back to the school ministry and continue to evangelize and pass out tracts and Bibles in the schools here.

It is a joy to be able to serve the Lord and be in the middle of His will. To be able to see Him meeting needs and changing lives is worth it all. Thank you all for your prayers and faithful support.

We have been expecting a container since November of last year and have experienced some mix up with the paperwork. Please pray that this will be worked out soon. Also help us pray about clearing agent fees, crane fees, and storage fees on the container. We've just been made aware of this extra cost. We are grateful and excited though to be able to get our hands on all this material and literature and to be able to get it passed out! It is our prayer that the Lord will use it greatly.

Our attendance at Grace Baptist Church has gone down some, but that is to be expected. Many will only come to see what is going on, but others are being saved and discipled. The Lord is building a church here in the Jinja
