First Lord's Supper at Colchester

✉ jsquinn75@gmail.com

We have had a very good month at the Colchester Mission and Headgate Baptist Church! We've had several new visitors. A couple from Nigeria have recently moved to the city and found our church online. As well, we have expanded our outreach ministry. We now have men going out on Saturday mornings to witness and street preach, and my family distributes tracts and invitations in mailboxes (which is legal and common practice here). Personally, it's a blessing to get our children involved in outreach!

We were also blessed to have the first Lord's Supper since I took over as pastor. I preached from 1 Corinthians 11 to help us understand the importance and joy of sharing Lord's Supper together. It was a blessed time of worshipping the Lord in this ordinance!

An Upcoming Baptism

Last year, we were blessed to see a young man saved at the church. He started attending with his mother, who was saved last year as well. Through the simple preaching of the gospel and personal evangelism, he understood and believed for salvation. I have had the privilege of talking with him about his understanding of the gospel and salvation. After that, he expressed a desire to be baptized! We are excited to be planning another baptism service in a few weeks. Please pray for Arthur as he grows in the Lord!

A Lesson on Giving

Recently, we gave Ruby a couple of jobs around the house that we pay her to do. We of course want to teach her about money, but an important aspect of this is to teach her the value and practice of giving. Every week she excitedly puts her money in her purse to take to church to give. It has been exciting to teach her about giving to the Lord Who gave so much for her! We always talk about the Lord giving Himself for our sins. Please pray that she and William will soon understand the gospel!

Thank you for all of your prayers and support!
