

THE JONES  
Family

DIRECTOR OF  
ANCHOR BAPTIST MISSIONS INTERNATIONAL  
NORTH AMERICA • EUROPE

Dear Praying Friends & Church Supporters,

I want to say **THANK YOU** to all our supporting churches and individuals who support and/or pray for the Jones family. Prayers mean a lot - to get calls and texts saying, "We are praying for you!" We could not do what we do without God's intervening hand directing our steps.

God has opened many doors to preach in numerous revivals and mission conferences. In the month of August, we were able to present the work in churches close to home. I want to thank Missionary Pastor Steven Sykes for the great opportunity to preach in the BSALT conference at Love Valley Baptist Church. Our hearts were stirred even more for missions in America. In September, it was a great honor to preach for Missionary Ken Trivett at the Pine Ridge Baptist Church in Batesland, SD, in his mission conference. It was a tremendous week - meeting missionaries that have a burden for America. Pastor Ken and Mrs. Sherry are doing a tremendous work for the Lord and please remember Pine Ridge Indian Reservation in prayer.

I want to thank Pastor Mark Hall of Lighthouse Baptist Church in Chapel Hill, NC, for allowing me to preach in his revival services. I had a wonderful time preaching behind his great pulpit. God did a great work during the week. On the last night of the service, a young man was saved by the grace of God. **GLORY!!!** It was a great joy to preach for Missionary Steven Sykes in Deming, New Mexico in his Jubilee. The Lord made his presence known in the hot desert during the meeting. God saved three people on the last night of the meeting, and we give God **All** the Glory. Also, we enjoyed seeing a new church plant in New Mexico.

In the month of October, Dr. Whittemore and I traveled to India. This was my first international trip since COVID. While we were in India, we dedicated two new churches that God built during the pandemic. I am glad that a virus with challenges does not stop God from working. The two new churches are beautiful, and the churches were full on dedication day. I want to thank the Lord for the many people that were saved during all the services. We did a couple of ground breaking services on a new piece of property for a church to build an orphanage and a facility to help preachers in the surrounding area. I would ask that you would pray about this great opportunity. It will cost around \$150,000 to build these buildings. The orphanage is a great need for so many children to have a place to live and to hear the Gospel.

In November, I enjoyed visiting missionaries and preaching meetings in Wyoming, Montana, Idaho, and Utah. It is always a great honor to help our missionaries with preaching, prayer requests, supplies, technical support, and encouraging them to keep doing what the Lord has called them to do! I will be traveling to the Philippines in December with two local preachers for two weeks and I look forward to the fellowship and preaching of God's precious Word. I have a lot of mission trips planned for 2023, and it is exciting times to serve the Lord.

As I travel during the winter months and cannot take my trailer, I would ask that you would pray about the need of putting a topper on my truck to be able to haul more supplies in the bed of my truck. It is going to cost around \$3,200 to buy this topper, but it would be a great tool for winter travels. I could have brought more supplies on my last trip out west but just did not have the room  
**Thank you for praying for HIS will in all we do and to God Be The Glory!**

Serving HIM,

The Jones Family  
Robert, Lisa, Haley & Hannah

So he sent his  
brethren away,  
and they  
departed:  
and he said  
unto them,  
**See that ye fall  
not out by  
the way.**

Genesis 45:24
