

AUTUMN, ANITA, ALVIN, AMOS

PRAY FOR THE STOLTZFUS FAMILY

Dear Faithful prayer Warriors and Co-laborers,

What a joy to serve Jesus in these days. Truly we have found him to be altogether lovely, faithful, and true. Our hearts are blessed when we think of all you who are faithful to pray for us on a regular basis. We are grateful for the financial help, cards, texts, and calls. But we are sustained by prayer.

It has been our joy since the last news letter to be in two mission conferences, present the ministry of helps at five churches, and cook, clean, and serve at jubilees. We are thankful for the added support from two of these churches. Also during this time, Amos and I were able to help the Gordon Baptist Church in North Wilkesboro with repair to their school building roof by helping replace over 13,000 screws (with 5,000 more to go) and fixing leaks. God also allowed us the opportunity to help the Blackwater Baptist Church with water drainage issues by installing an outside water drain and pipe. At the first of January, Our family participated in a Bible Conference at the Bear Trail Baptist Church with Anita and I cooking, serving food, and cleaning, and Autumn and Amos working in the nursery.

It has been a blessing to have had the opportunity to be home a little more the past two months. We were blessed to enjoy some extra time with our children and their families and with my dad and Anita's parents. Amos had Driver's Education classes. Autumn had cardiologist appointments. We are thankful that nothing serious was discovered, and treatment plans have already started. We thank all who prayed, and we thank the Lord that he heard the prayers of his people.

Brethren, please pray for us. We are getting ready to get back on the road this next week with a full schedule of helping churches with repairs, remodels, drainage issues, water seepage, and jubilees. We need wisdom, safety, directions, provision, strength and health, and ability from God in order to help his people and evangelize the lost.

Thank you again for praying and giving that we may go. We are thankful to be partners with you.

In Christ Alone,
The Alvin Stoltzfus Family
