

**BSALT**

Nearly 600,000 homes given the Gospel Across 25 states

September 26, 2022

Greetings Pastors, Prayer partners, and Brothers and Sisters in Christ,  
Our prayer is that each one of you is enjoying this cooler fall weather and the beauty of watching leaves change and die to bring forth new life. What a glorious picture of life God gives us through nature's seasons. Summer concluded with our second BSALT conference in Kings Mountain, NC where many were awakened to our country's great need for church planters. We pray the Lord of the harvest will send many laborers into the white fields that are ready to harvest. We had several successful Operations over the summer. The weather was hot but going with the knowledge of how hot the torments of Hell will be for those who are not saved kept us eager to go and tell, in spite of the obstacles and difficulties. There were many first time visitors to those churches we helped and dozens called on the Lord for salvation.

We were also blessed to attend a Missions conference in Alabama and we have 2 more coming up in November. Our 2 upcoming Operations are both in North Carolina so we are thankful for being closer to home and catching up with some appointments. We praise God for Hutsons most recent check on his prosthetic abdominal aorta. It is still functioning perfectly and he is doing well, as is Grayson. It's hard to believe it's been 2 years but we'll never get over the miracles of God in this lifetime.

For the past year, in our spare time, we have been trying to get our house in Mississippi on the market to sell. Prayerfully, we have decided to keep our home base in North Carolina so Hutson is able to keep his surgeon. He may have some needs in the future and we just want to make all of that easier for our family. Prayers would be appreciated for a quick and easy sale and for the Lord to show us where and what our next move should be. We now rent the parsonage the Lord provided, so after the sale of our house, we would like to buy something else. We trust the God of the details and know that He cares about each and every one of them.

Please pray as we continue to share our burden at every opportunity and as we do Operations. We know we have the message people need. We have the only Hope. May the Lord continue to use us for His Glory as we go house to house in His Name.

In His Service, Bro. David East
