Summer 2022

We're thankful to be able to come to you once again with the report of what God has done recently. Job said "the Lord giveth and the Lord taketh away, blessed be the name of the Lord." We must never forget that we are in the ministry as a servant of Christ. It is not about us, it is about Him. As we follow Him, He leads, provides and gives the increase.

One of the blessings God has given us this summer is land in the country of Mexico for the church building in Casas Grandes. This property is in an established area of the town and right in visibility of the main road. This property will hold the church building as well as church parsonage. The Lord has given our church the funds to purchase the property and the paperwork is being completed as we speak. In the next few months, we will probably be sending out a letter as well as some recordings that will further explain the needs and cost for the future buildings on this property. Pray as God provides the funds.

In the middle of God providing the property of Mexico, the Lord allowed the fires in Northern New Mexico to burn down the buildings on our camp property. About 12,000 sq. ft. worth of buildings were burned. I don't understand it, but I do know the Lord is in control. The Lord has taught our church and myself some things about walking by faith over the last several months. I told our church that I don't know how, but I feel that God is going to make this apart of our story some way somehow. As long as He gets the glory that is what we should be concerned with.

During the month of June, our church hosted a tent meeting here in Santa Fe. During this time we were able to knock on approximately 6,000 doors in Santa Fe. This was done with the help of the David East family and Catoosa Baptist Tabernacle. During this time, we saw multiple visitors as well as 13 people come to Christ. The preachers were Evangelist Tom Wallace and Pastor Kevin Kuykendall. We thank the Lord for them minding God. God's people were encouraged; and some who didn't know Christ now know him as their Savior.

Continue to pray for our family and the works going on here in New Mexico and across the border in the country of Mexico.

In Christ,

Chris Rogers
