Dear Pastor Philbeck & folk at Love Valley Baptist Church,

Thank you once again for your support in prayer and finances for us. We are overwhelmed that the LORD blesses us, and blesses, and blesses. **Thank you** for your giving of

\$ 50. - in October
\$ 50. - in November
\$ 50. - in December

Thank you also **to the Lord** for supplying. We never missed a meal or owed a bill during 2022.

Come to think of it, we **never, ever** have!

Due to some kind and loving additional gifts our medical bills will be paid faster – for which, no doubt, the ones who gave us pay-plans, will be happy. 😊

At Christmas we did **see** some of our family during a brief **face-time** conversation. Whether we like all the modern tech or not, in years gone by we might have been able only to talk on a phone halfway around the world. Now we could **see** they are well. What a blessing!

We are **thankful** to have not had burst water pipes, nor power outages, no heater going on strike, and having enough food at home so we did not have to venture into the deepfreeze. We prayed especially for y'all to be kept safe during that time.

Please continue praying for us to be well enough to get out more. We know some people downtown haven't given a second thought to not hearing the street preaching. But we do miss that opportunity for working for the LORD.

Our pastor preached about our "Wonderful" LORD, how He is wonderful all the time and in all ways. That thought is still in our minds and we want to share that with you: **HE IS Wonderful** and to be praised.

Join us doing just that?!

Howell & Ruth

PS Thank "y'all" ladies for the beautiful Christmas card
