

2023-24 Matching Scholarship Application

General Information:

Mill Creek Church is excited to financially support our college students enrolled in post-secondary studies. Mill Creek students attending schools or other learning institutions that offer financial support linked to student involvement in their church are eligible to apply for a matching scholarship of up to \$500 per registered semester. This scholarship is available for four years and is renewable each year by application.

The scholarship fund is designed to financially assist full-time, undergraduate students. Please note that MCC requires prior attendance of one full year before applying.

In addition to the Mill Creek application, please secure any additional paperwork from the school you will be attending and make sure it is turned into the church office a month before the school's deadline.
