BAPTISM WATERS STIRRED

59 BAPTISMS THIS YEAR AT FBC TIFTON

EXTRA! EXTRA!

COLLEGE STUDENTS ENCOUNTER CHRIST

Over this year, we have seen continual growth in our Red Door College Ministry meeting every Tuesday night. We saw growth numerically and spiritually. There are many students who have walked through the baptism waters this year, joined a small group and are involved in one-on-one discipleship. Thank you for your prayers and continued support in our Red Door college ministry at FBC! ***See Page 9.***

★ SENIOR ADULTS ESCAPE THE ROUTINE! ★

Our Senior Adult Ministry has enjoyed another wonderful year of fellowship, connection, and spiritual growth! We celebrated Older Americans Month in May with several special events, including a fun-filled Bingo gathering with 75 attendees. We also had 100 adults attend Senior Adult VBS in September. We also enjoyed another successful year of the Suwannee River Retreat... ***See Page 12.***

WORTHY WOMEN CELEBRATE MULTIGENERATIONAL INVOLVEMENT

Our Worthy Women's Ministry has continued to experience incredible growth this year as women deepen their relationships with Christ and one another. Our first year of Worthy Groups was a tremendous success, with many of the relationships formed within those groups leading to intentional, one-on-one discipleship. Building on that foundation, we launched our second year with 20 Worthy Groups, with over 200 women participating! We also celebrated 400 women gathering for Worthy Night, an evening of worship, encouragement, and community. Beyond our... ***See Page 10.***

WORSHIP TEAM PERFORMS FOR AUDIENCE OF ONE!

Over the past year, our worship team has continued to experience tremendous growth in both size, strength, and spiritual depth, with 139 different members participating in leading Sunday morning worship across our services. This growth reflects not only an increase in participation but also the commitment, consistency, and stability of those who faithfully serve week after week. As more members have stepped forward to use their gifts and talents to lead our congregation in worship, we have seen a stronger, more unified team develop, creating opportunities for individuals to serve, grow, and invest in the ministry of worship. Beyond our own church, we have continued to expand our reach and influence through partnerships with multiple local churches, collaborating through Worship Nights, musical opportunities, technical support, and spiritual mentoring. These partnerships have allowed us to share resources, encourage one another, learn from other worship ministries, and build meaningful relationships with churches throughout our community. What began as individual opportunities for collaboration has grown into a larger vision of unity among local churches, recognizing that we are all working toward the same mission of glorifying Christ and reaching people with the gospel. One of the most exciting expressions of this unity was our Worship Night, which brought together nine different local churches and their congregations to worship together as one body. We are also celebrating a significant milestone in the spiritual growth of our worship team, with more than 88% of our members actively engaged in one-on-one... ***See page 6.***

CELEBRATING 2026

FROM THE PASTOR

Another year has come and gone at FBC. As I grow older, watch my family grow, and watch your families grow both spiritually and physically, I am ever cognizant that the wheel of time continues to spin, and we are faced with a choice. Really, we are tempted to allow time to tip the scales of our hearts in one direction or another.

We can either bemoan the passing days, treating them like petals of a flower falling, never to be recovered, and tarnishing their beauty in the process, or we can view every passing year like a felled tree, gone in its original form but used in the process of building our lives.

Not lost to us, but rather laid down for us, days, months, and years are not petals falling to the floor to be lamented over. No, it's love invested, memories hewn, relationships cemented, and dreams built one felled year at a time.

I am tempted to write this opening address, with all these God-sized, soul-stirring, revival-whispering celebrations, as an admonition to seize the time, to not waste the fallen tree, and to build on in the name of Jesus with renewed passion and might.

This is not a bad temptation, since I am a preacher, an admonisher, and an encourager who will be judged on whether I faithfully exhorted you to “work while it is day.”

However, if I may, I simply want to share my unashamed thanks for you and for our church as we give God the ultimate thanks for all that He has done.

Thank you for being a patient people. You lean on the Lord in seasons of uncertainty, and you trust the leadership God has entrusted to First Baptist. For that, I am grateful.

Thank you for being missional. Whether through reaching 2,026 gospel conversations, sending missionaries, or leveraging our dollars for missionary support through Lottie Moon and Annie Armstrong, you have kept the Great Commission in mind.

Thank you for prioritizing the presence of Jesus over performance and preference.

Thank you for always trying earnestly to love God, love people, and multiply disciples.

I am so thankful for you, FBC.

With Love,

TJ Mauldin

2026 GOSPEL CONVERSATIONS

Celebrating a Year of Sharing the Good News

What began as an ambitious goal of 2,026 gospel conversations in 2026 became an incredible testimony of what God can do through a church family committed to sharing the hope of Jesus. From the very beginning, our prayer was that this initiative would inspire us to be more intentional about sharing the gospel, recognizing that every day brings opportunities to make Christ known. As the conversations began adding up, so did the stories of church members stepping out in faith, sharing their testimonies, inviting others to church, and finding meaningful ways to talk about Jesus with the people God placed in their paths.

We are excited to celebrate that we reached our goal of 2,026 gospel conversations in early August—several months ahead of schedule! We recorded an incredible 2,065 gospel conversations! What a beautiful picture of a church that is taking seriously the call to go and make disciples.

While we celebrate this milestone, we recognize that the true impact of this initiative cannot be measured by a number alone. Behind every conversation is a person, a story, and an opportunity to share the greatest news ever told: that Jesus lived the life we could never live, died the death we deserved, and rose again in victory over sin and death. Some conversations may have planted seeds, others may have encouraged someone who was struggling, and still others may have opened the door for someone to hear and respond to the gospel for the very first time.

We are incredibly grateful for every church member who prayed, shared, invited, encouraged, and boldly proclaimed the good news of Jesus throughout the year. Our hope is that these 2,065 conversations represent more than a successful initiative; they represent a growing culture of evangelism that continues long after the goal has been reached. May we never lose sight of the privilege and responsibility we have to share the hope of Christ with our neighbors, our community, and the world.

2,065 conversations. One life-changing message. All for the glory of God!

CELEBRATE RECOVERY

God continues to move in powerful and life-changing ways through Celebrate Recovery! We are grateful for all He has accomplished this year. **We celebrated salvations, experienced a 20% increase in weekly attendance, welcomed approximately 500 guests to RecoveryFest, and blessed 120 local children through our Angel Tree ministry.** Each milestone represents more than a number—it represents lives touched, hope restored, and people taking meaningful steps toward healing and freedom. We thank God for every story of transformation and every opportunity to share the love and grace of Jesus!

WORSHIP MINISTRY

Growth and Retention of Our Worship Team
Over the past year, 139 different members have participated in leading Sunday morning worship across our services. Our team has grown in size and strength due to the commitment and stability of our members.

Community Partnerships and Worship Influence
Over the past year, we have expanded our reach by partnering with multiple local churches for Worship Nights, musical collaborations, technical support, and spiritual mentoring, fostering unity and elevating the worship culture within our broader community. Because of this unity, this year we were able to successfully host a worship night that included participation from nine different local churches and their congregations!

Largest Percentage of Discipleship Engagement to Date
We are proud to share that over 88% of our worship team members are now actively engaged in one-on-one discipleship and/or small group communities. This percentage has steadily increased over the past 4 years and has resulted in a deepening of spiritual growth and maturity among our team.

Original Music from the Heart of Our Church Family
Over the past year we have laid the groundwork and created a platform where we can begin to release original music that comes from the hearts of our own members that is written, recorded, produced, and created by and for our church family.

KIDS MINISTRY

The purpose of FBC Kids is to partner with parents to **raise kids who love and prayerfully follow Jesus**. This year, we would like to highlight the impact of FBC Kids through the eyes of our investors (volunteers).

MARIA HAMILL, 5th-grade Sunday Group: *"Investing in kids ministry means helping children know they are loved by God, that their faith matters, and that they belong in our church today. It means creating a place where they can ask questions and deepen their relationship with God. Giving to this ministry is a way for me to help the next generation grow in God's love."*

KERI HESTER, 2nd-grade girls WNK leader: *"I love serving in children's ministry because I love the energy and excitement kids bring. It's so sweet to see how excited they are to learn about Jesus and understand the Bible, and how they soak it all in like little sponges. I love hearing them remember what they learned the week before and seeing their little hearts begin to grow in wisdom and discernment. Most of all, I love knowing that I get to play a small part in helping them build a strong foundation of faith and a relationship with Jesus."*

JULIE & LAWRENCE COOPER, PreK Sunday Group: *"When we think about what investing in our kids ministry means to us, the first word that comes to mind is JOY! Our kids bring us so much joy; getting to see them every Sunday is truly one of the highlights of our week. Knowing that we are helping them develop a knowledge and love for God's word just continues to add to that joy. Hearing them recite our memory verses and recap stories from past weeks is such an encouragement. No matter how young they may be, the Lord is still planting seeds in their hearts, and we are so grateful to be a small part of His work in their lives."*

ETHAN GOLDEN, 2nd-grade boys WNK leader: *"Serving the 2nd grade boys on Wednesday nights is such a blessing to me. I truly enjoy spending time with them, helping them learn about God, and watching them grow in their faith. You never know when one of them will open up about something important that is on his heart, and it is a real blessing to know they trust me enough to share those things with me and seek my advice. I feel like I get just as much out of serving them as they get from me. It is a privilege to be a part of their lives and to see what God is doing in them."*

ALEISHA GOLDEN, WNK Recreation Leader: *"Serving in kids ministry has become something I truly look forward to every week. I love jumping right in, playing games, laughing with the kids, and especially enjoy a good game of HORSE! It's loud, noisy, and sometimes a little chaotic, but that's part of what makes it so much fun. After a busy day at work and all the responsibilities of everyday life, it's such a blessing to step away from it all and just have fun with the kids. One of the most rewarding parts is seeing them outside of church and watching their faces light up when they recognize me and stop to say hello. Those moments mean more to me than they probably realize. They remind me that investing in kids' ministry isn't just about what we teach children, but also about making sure they feel seen, loved, valued, and important. My hope is that through these small moments, they experience the love of Jesus. And while I hope I'm making a difference in their lives, I know they are making a difference in mine."*

WORTHY WOMEN'S MINISTRY

Our Worthy Women's Ministry has continued to experience incredible growth this year as women deepen their relationships with Christ and one another. Our first year of Worthy Groups was a tremendous success, with many of the relationships formed within those groups leading to intentional, one-on-one discipleship. **Building on that foundation, we launched our second year with 20 Worthy Groups, with over 200 women participating! We also celebrated 400 women gathering for Worthy Night, an evening of worship, encouragement, and community.** Beyond our gatherings, Worthy on Mission has seen increased participation as women have intentionally served our church, our city, and our world. From preparing goodie bags and writing letters of encouragement to packing shoeboxes for Operation Christmas Child, these women have faithfully demonstrated the love of Christ through both service and countless hours of prayer. We are incredibly thankful for the women of our church and the ways God continues to use this ministry to cultivate meaningful relationships, deepen discipleship, and encourage women to live on mission for the Gospel.
