PRAYER REQUESTS

May we pray for Jake and Eva Klassen from Duchess area. Eva is an expecting mother who just found out that she has stage 3 breast cancer. May we pray that they are able to fully trust God and His plan, for God's guidance and healing according to His will.

May we pray for Heinrich and Helena Boldt. Heinrich's health is rapidly declining as he's battling cancer. May we pray for them in this very difficult time and bless them with visitation.

May we pray for guidance and wisdom for those voting in the upcoming provincial election and for those in power of our earthly land.

May we pray a prayer of thankfulness and continual guidance and good health for Jason and Nora Giesbrecht, who were blessed with a baby boy, Wesley Colton, on October 7th.

Maria and John Knelsen are overjoyed to announce the birth of another daughter, Chloe Knelsen. We praise God for this precious gift and ask our church family to remember us in prayer as we navigate recovery and the changes that come with welcoming a new baby. Please pray for healing, wisdom, strength, and the Lord's continued guidance over our family.

"The Lord bless you and keep you." — Numbers 6:24
