

Circumstances

June 14-20, 2026

What is the difference between having your circumstances tested and having your character tested?

What role does obedience play when we don't understand God's plan?

What character qualities do you believe God is developing in you right now?

Looking back, can you identify a difficult season or circumstance that strengthened your character?

What is one practical step you can take this week to trust God more fully in an unexpected circumstance?
