// About Us

All Nations Leadership College is an opportunity for in-depth discipleship training, to prepare you for mission and leadership in your own church, in another nation or in your workplace. Our aim in AN Leadership College is to raise up disciples who are passionate and unrelenting in their devotion to Jesus, hungry for revival and able to lead a church planting team or be part of one.

The best way to grow leaders is for us to share our lives in a relational context. We reproduce who we are.

There is an important place for traditional teaching and study, but it has to be in a context of the Five Cs - developing Character, Competence, Chemistry (team), All Nations' Culture and your Calling!

The college is part of the All Nations Movement for more information please visit:

We recognise that students will have a range of academic and other abilities and gifts. So far as possible we will try to support those with particular needs.

Ministry Formation Groups are key and are normally made up of a number from the same church or town/city/area so that you can meet in person informally. If you are the only person from your church and there is no one from the area, we may ask you either to recruit others or to wait until you can be part of a viable group.

If you have any concerns about this please raise them and discuss them with us – we want you to be the best you can be in the power of the Holy Spirit!
