

A 5-Week Journey Through the Book of Acts

The book of Acts tells the story of Jesus continuing His work through His Church. What began with a small group of believers in an upper room became a movement that spread throughout the world by the power of the Holy Spirit.

As you read through Acts over the next five weeks, don't simply ask, *"What happened?"* Ask, *"What is Jesus continuing to do today—and how can I be part of it?"*

Our prayer is that God will deepen your love for His Church, strengthen your faith, and open your eyes to the people He has already placed in your life—your **8–15**. Just as the early believers carried the gospel into their homes, neighborhoods, workplaces, and cities, God has strategically placed you where you are to help people find and follow Jesus.

Read prayerfully. Listen carefully. Live boldly.

The CHURCH Today

The book of Acts doesn't really end.

The same Holy Spirit who empowered Peter at Pentecost...

The same Spirit who gave Stephen courage...

The same Spirit who transformed Saul into Paul...

The same Spirit who planted churches across the Roman Empire...

Lives in every believer today.

Through this study, prayerfully write down the names of your **8–15**—the people God has strategically placed in your everyday life. Begin praying for them daily. Look for opportunities to encourage them, serve them, invite them to church, and share the hope of Jesus.

The story of Acts is still being written—through the Church Jesus is building today.

Prayer

Father, thank You for allowing me to be part of Your Church. Fill me with Your Holy Spirit and help me faithfully live on mission each day. Open my eyes to the people You have placed around me, and give me the courage to love them well and boldly share the hope of Jesus. May my life continue the story You began in the book of Acts until the day Christ returns. Amen.
