Proverbs (Co-ed Study)

Join us for a Bible study through the book of Proverbs. In this study, we will be reminded that we are the inheritors of divine wisdom. Timeless wisdom that is given to us from the throne of God.

Room: 202

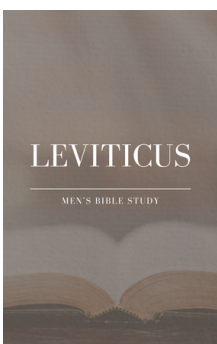

Study of Matthew 1-7 (Women's Study)

Jesus challenged the "religious" norms of the day from the beginning of His ministry until the end on what true religion looks like. Today, He is still challenging us on how we see things. He calls us to a change of heart and redefines what the Christian walk really looks like. The challenge we will face as we study the first seven chapters of Matthew will be to hear and submit to what is true and learn by His words and example how to follow Him. Join us as we dig into Matthew and discover the heart of our Savior.

Teacher: Nancie Wallace

Room: 200

Leviticus Cont'd (Men's Study)

Ever wondered what to do with Leviticus? Join us as we dig into this often, overlooked book and discover it is not just ancient rules, but a picture of God's holiness and His desire to dwell with His people. We'll unpack sacrifices, priests, and festivals in plain language, and see how it all points to Jesus.

Grove Student Worship (6th - 12th Grade)

Our student service is made up of a time of fellowship, worship through songs, worship through the preaching of God's Word and through our Connect Groups. Our Worship time through song is primarily student led on a student rotation basis. During our time of preaching, we take a book of the Bible and go chapter by chapter, verse by verse, or we will take a few weeks and preach through some of the essential Biblical doctrines. Our Connect Groups are broken up by gender and grade. Each Connect Group is led by a group of Adult Leaders that serve within Grove Student Ministry.
