

FALL '26 NEWSLETTER

Hello everyone!

I hope each of you has had a wonderful time this summer. Along with the heat, I pray you have had opportunity to enjoy God's creation, time with family and friends and maybe even get a little rest from the daily routines. But now, our focus turns towards the fall season and all that it will hold for us. There are a lot of things being offered here at the church to help you grow spiritual, great opportunities for fellowship and times of helping others in our community. I pray you will take time to look these over and see where God may be calling you to get involved.

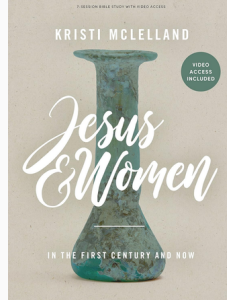

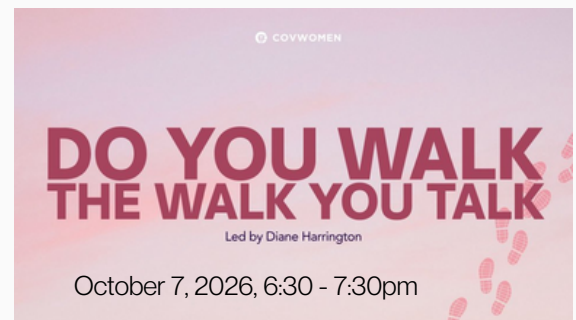

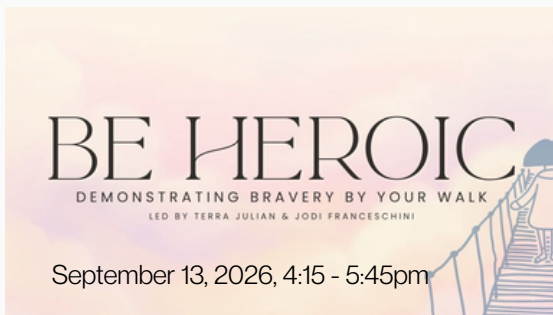

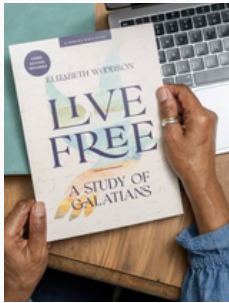

I'm always available to answer any questions you may have, suggestions that you may want to share and help you find where God is calling you. Don't hesitate to give me a call and let's get together and see where you can get plugged in. I look forward to seeing you and what God has in store for us this fall!

Blessings,
