How To Give Financially Towards the Mexico Trip

There are a few ways to give online towards a participant's Mexico trip.

- E-Transfers can be sent to giving@sunwestchurch.com, this option will have a memo line where Mexico and the participants name can be noted
- Direct credit card payments can be made via the participants direct payment link. Participants will be emailed this link and can then share it with those who would like to contribute to their trip! Either partial or full payments can be made
- Cash and/or cheques can be brought to the church during office hours. Debit/credit payments can also be made in person at the church office. There are envelopes at the Welcome Centre that can be used to ensure the funds are properly allocated, and donations can be placed into the drop slot

Please email mexico@sunwestchurch.com with any questions!
