

## WHAT IS THE HEBREWS 11 SOCIETY?

The Hebrews 11 Society is comprised of people who have shown their faith “in things hoped for” by giving, or planning to give, a legacy gift to the endowment of First United Methodist Church.

A **legacy gift** invests in a future that cannot yet be seen, trusting in God to carry on the work of this church for generations to come.

Legacy gifts are invested in a permanent fund. Donors may designate their gift to support a ministry area of their choice or the upkeep of our historic building and grounds that support ministry activities.

Are you **curious** about your legacy?

It begins with a simple act of love: taking care of business.

Legacy planning puts your wishes in order. You decide who receives what you’ve built and who will care for your dependents, so loved ones are never left to wonder.

It’s responsible living that lets you enjoy today knowing your family is looked after.

**What have you built that you want to pass on?**

**If something happened tomorrow, would your family know your wishes?**

**What do you want your legacy to accomplish?**

**Contact us** if we can walk alongside you in your journey of discernment.

Are you **considering** naming FUMC as a beneficiary?

Perhaps you’ve thought about your wishes but the formal steps feel complicated, or life has gotten in the way. You’re not alone. Many people are unsure of where to go from here.

Naming FUMC as a beneficiary can be simpler than you think. Some gifts take a just single form, while others take a conversation with a legal professional.

Wherever you are, we’re glad to answer your questions, confidentially and without pressure.

**Pre-register here** for FUMC’s Legacy Planning Seminar in April 2027, or reach out to the church today for more information.

Are you **ready** to join the Hebrews 11 Society?

If you’ve already named FUMC in your estate plans, *thank you!* Your faith in “things hoped for” will shape this church for generations.

This act of generosity makes you a Hebrews 11 Society member. Tell us about it, sharing only what you’re comfortable with so that we can honor you today.
