

## Philip Tells the Ethiopian About Jesus

(Acts 8:26-40)

**“Therefore, go and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit.”**

(Matthew 28:19)

## Jesus is for everyone...so we're ready to tell the good news.

Have you been confused at school? Maybe that math lesson just did not compute. Or you were trying to learn to spell a weird word. Maybe the process of photosynthesis had you totally lost.

When we get confused, it helps to have someone who can patiently explain things to us—like teachers! That's what Philip did for the Ethiopian man. He was a good teacher who put things in simple terms so this man could become friends with Jesus, too.

So if you have questions about Jesus, ask someone to help! Find one of Jesus' friends who can explain things to you. You don't have to figure things out on your own.

Because Jesus is good news...for everyone!

# Make this page fly home!

Fold a flyer. When you get home

...pretend it's the Ethiopian's chariot. Make it fly and then run to catch up to it.

## Here's how:

- 1** Fold the paper in half as shown.

- 2** Unfold, and then fold the top two corners to the center line to create flaps.

- 3** Fold each side to the center again.

- 4** Fold in half, then diagonally fold over the edge of the paper to make a wing.

- 5** Flip over and fold another wing to match the other side.

- 6** Grab the middle, and let it fly!
