

Welcome to the nursery at Princetown Church!
We're so excited to get to know your little ones, and share the love of Jesus with them.

- When you arrive on Sunday morning, go to the CHILD CHECK-iN station to register your child for the nursery. You will receive a name tag for your child and a parent Security Tag.
   Note: if your child has an allergy, be sure to let the CHECK-iN volunteer know, so your child's sticker will note the allergy.
- Bring your child to the Nursery (room 10 the **Green** room)
- Here at Princetown Church we are very concerned with the safety of your little ones. We require each nursery volunteer (18 and older) to complete a Background Check.
- For the safety as well as the comfort of all our children, we ask that **only nursery staff** be present in the nursery room. The two exceptions are:
  - 1. Changing a diaper if needed
  - 2. If this is your child's first time in the nursery you can receive a visitor's sticker from the CHECK-iN station and stay with your child to get them acclimated.
- We will be serving a snack that has been checked for peanut allergies. If your child has an allergy other than peanuts, we can work to accommodate this as well.
- Diaper bags can be hung on the hooks inside the Nursery room. We have a Princetown Church diaper bag tag to put on your bag if you'd like.
- While our goal is to have a wonderful time with your child, we know that some days just don't work out that way and there may be tears. If this happens, we'll do our best to comfort your child, but will not let him/her cry for more than 10 minutes without contacting you. Parents are welcome to bring a crying child into the Wiggle Room (room 7 across the hall from the nursery). The worship service is streamed into this room and there are couches and toys as well.
- If you are nursing and would like some privacy, the *Wiggle Room* has a rocking chair and privacy shade.
- We'll share God's love with your child through songs and playtime, and by saying grace before snack. We recognize this is often your child's first church experience and we're excited to share our love for Jesus and tell them more about His great love for them!

 Please pick your child up by 11am to allow our nursery team to tidy up and get to their next place.

 To pick your child up at the end of the service, bring your security sticker to the nursery. A nursery volunteer will match it with the code we have registered for your child.

Thank you for trusting your little ones with us, We're looking forward to watching them grow physically and in the love of God!
