Life Change: We honor the Lord by honoring family

Aristotle was right!

The parts of God's dynamic: **Ex 20:12; De 5:16**

You give honor

- Honor does not equate with obey
- Unlike obedience, biblical honor does not end with childhood
- God alone defines honor. We apply God's definition rather than blindly accept others'
- Honor comes from the child's obedience to God, not from the honorable or dishonorable nature of the parent

You receive long life and prosperity

God is the Giver

Parental respect is part of worship **Lev 19:1-3**

God's family dynamic continues after the Law Eph 6:1-4

Children obey

In the Lord

Parents don't stir up anger

Train, don't react
