

PHILIPPIANS

the unshakable life

PHILIPPIANS 1:12-30

- How did Paul's imprisonment actually serve to advance the gospel rather than hinder it, according to verses 12–14?
- What does Paul mean by the phrase “to live is Christ, and to die is gain” in verse 21?
- Paul rejoiced even when people preached Christ out of rivalry or envy (v. 15–18). How does your heart react when others succeed or get credit in areas where you serve?
- Does your current mindset align with Paul's view of suffering as a privilege granted on behalf of Christ (v. 29), or do you primarily view hardship as an interruption to God's plan?
- Identify a difficult situation in your life right now. What is one way you can reframe your response to it so that Christ is magnified through it?
- How can you practically encourage a fellow believer who is currently facing opposition or suffering for their faith?
