HAGGAI

rebuilding what matters

Haggai 2:10-23 • Misunderstood Holiness

1. What does Haggai's teaching about holiness show us about the difference between religious activity and a changed life?

2. What does this passage teach about relying on God's grace rather than our own efforts?

3. Where might you feel overconfident in what you do for God, or discouraged by what you have failed to do?

4. What area of your life do you most want God to transform?

5. What is one step you can take this week to seek inner transformation, not just keep up outward activity?

6. **GLORIFY GOD**: How can relying on grace in your words or actions point people toward God?
