

PHILIPPIANS

the unshakable life

PHILIPPIANS 2:1-11

Based on verses 1–4, what are the core characteristics of true Christian unity and humility?

In the hymn of verses 5–11, what distinct stages of Christ’s journey—from pre-existence to exaltation—does Paul outline to demonstrate ultimate humility?

Verse 3 challenges us to “count others more significant than yourselves.” Where in your life do you struggle most with subtle pride or selfish ambition?

How does meditating on Christ lowering Himself to the point of death on a cross shift your attitude toward serving people who are difficult to love?

What is one specific preference, right, or desire you can surrender this week to put someone else’s interests ahead of your own?

Practice intentional, low-profile service this week: perform two practical acts of kindness for others without seeking recognition or credit.
