

Junior Leader Program

At Redemption Kids, we teach kids aged 12-17 important values through our Junior Leader program. Kids who are 11 or older with parental permission can join.

Junior Leaders have different jobs, like snacks, stickers, small groups, setup, tech, and puppets.

This program helps kids become active church members, learn to serve others, and grow spiritually.

Values

- **God's Love:** We teach that God loves everyone and wants a relationship with us. (Psalm 103:8, John 3:16, Romans 5:8)
- **God's Goodness:** Kids learn that all goodness comes from God and He wants the best for us. (James 1:17, Psalm 16:2)
- **God's Plan:** We help kids see that God has a purpose for each of us and His plan brings joy. (Jeremiah 29:11, Proverbs 3:5-6)
- **Equipping:** We provide kids with God's Word and truth so they can confidently navigate life. (John 10:27-28, Ephesians 6:10-18)

AGES 3-6

We teach kids using listening, movement, music, play, crafts, and stories. Our lessons are right for their age.

During our time together we...

1. Build a sense of community and comfort among kids of all ages.
2. Transition into classes for activities like introductions, puppet shows, and music
3. Tell Bible stories, eat snacks and pray.
4. Have a fun time with crafting and other activities.

Our leaders and volunteers are committed to connecting your children with God's love and truth. It's a joy and an honor for us.

AGES 7-11

We adjust our teaching to suit each child's age and understanding.

During our time together we....

1. Build a friendly atmosphere where everyone feels welcome.
2. Start as a big group, talk about our values, and learn something together.
3. Play fun games related to our lesson.
4. Listen to a Bible story, have a snack, and apply the lesson to the kids' lives.
5. Discuss what we've learned in smaller groups.

Kids can earn Bible coins for good behavior and memorizing Bible verses, which they can exchange for prizes.

Our leaders are passionate about guiding kids in line with Proverbs 22:6.
