How to Study God's Word Effectively:

Remember the simple yet powerful approach we've learned:

1. Soak in the Passage
    - Read the passage multiple times. Each time, pray and ask God to speak to you—inviting His Spirit to give you insight, clarity, and understanding.
2. Follow the O.I.A. Method:
    - Observation – Write down everything you notice in the text, even the simplest details. Don't overlook the obvious—just note what you see.
    - Interpretation – What do those observations mean? Seek to understand the message and context of what you've written down.
    - Application – Based on what you've read and understood, how does this truth apply to your life? What is God calling you to believe, change, or do?
