"A Savior is Born!" Luke 2:8-14 Pastor Wes October 11, 2026

1) Think about a time in your life when you were really and truly shocked or astounded by something. What was it, and how did it affect your thoughts and actions? Share, as appropriate, with your home fellowship group.

2) The shepherds were terrified, so the angel told them to not be afraid. What was it about the angel's message that should have reduced their fears?

3) a. Look at Mary's words of praise in Luke 1:50-52. How are these shepherds mentioned there?

b. How can we be more "shepherd-like" in our humility?

4) a. With one small word, how did the angel personalize his message to the shepherds?

b. How did the Lord personalize that message to you?

5) What three experiential blessings come to those who respond properly to this good news?
(See verses 10, 11, and 14.)

6) Pastor Wes said that this text is the source – the fountain, of the message from which the entire New Testament flows. Can you identify some important truths in verse 8-14 that are part of that message?
