ENGAGE – THE WORD

Read: Ezekiel 37: 1-14

Pastor made some incredible points that we are going to dive deeper into:

Why Do People Need Revival?

1. Because Spiritual Drift Happens Gradually.

Read: Hebrews 2:1

No one plans to become spiritually cold. It happens little by little. The enemy rarely attacks with one major blow; instead, he works gradually. A boat does not have to race away from the harbour, it only needs to stop anchoring.

Discussion Questions:

- What are some signs that a person may be drifting spiritually?
- How can we intentionally stay anchored in our relationship with God?

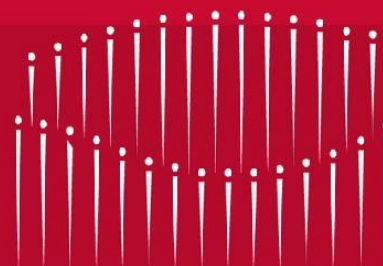

2. Because We Can Lose Our First Love

Over time, it is possible to continue with Christian activities while losing the passion and devotion we once had for God.

Discussion Questions:

- What does it mean to lose our first love for God?
- How can we cultivate fresh love and passion for Him?

3. Because We Become Spiritually Dry

Get two people to read: Psalm 63:1 & Psalm 85:6

Spiritual thirst points to our need for God. Dryness is often an indication that we need revival.

Discussion Questions:

- Have you ever experienced spiritual dryness? What contributed to it?
- Why is spiritual thirst a good thing?

How Does Revival Begin?

1. Hunger

Read: Matthew 5:6

God fills hungry people. Familiarity with the things of God can cause us to lose our sense of wonder and expectation. We must continually ask ourselves:

"Do I still desire God, or do I merely desire His blessings?"

Discussion Questions:

- What are practical ways to maintain spiritual hunger?
- What can cause us to become too familiar with the things of God?

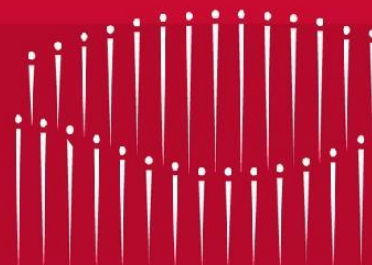

2. Humility

Read: 2 Chronicles 7:14

Pride says, "I am fine." Humility says, "Lord, I need You."

People who are proud never believe they need revival, but humble hearts recognize their dependence on God.

Discussion Questions:

- What does humility before God look like?
- Why is pride a barrier to revival?

3. Repentance

Read: Acts 3:19

Repentance is not condemnation, it is turning back to God. It is acknowledging where we have neglected our relationship with Him and returning to Him with sincerity.

Discussion Questions:

- How is repentance different from condemnation?
- Why is repentance essential for spiritual renewal?

4. Faith

Revival requires expectation. We must believe that God is present and that He is able to move powerfully.

Discussion Questions:

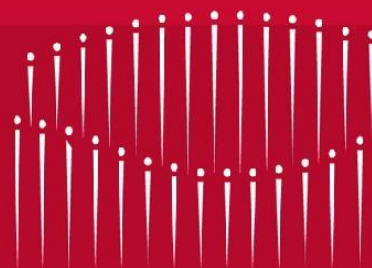

- What does faith-filled expectation look like?
- How can we guard against becoming passive in our faith?

5. Surrender

Many want revival, but few want God to change them.

The fire only falls on the altar. God desires to be at the center of our lives. Rather than becoming critical of the move of God, we should learn to discern spiritual things and remain sensitive to the Holy Ghost.

Discussion Questions:

- What areas of our lives are often hardest to surrender to God?
- Why is surrender necessary for revival?

Before God revives a church, He revives the believer.

Before He revives a city, He revives the church.

Revival begins when we stop asking, "Why doesn't God move?" and start asking,

"Lord, what in me needs reviving?"

Discussion Questions:

- Why does revival begin with the individual believer?
