

WITHIN OUR REACH

CALL TO ACTION

1. What topics in this film resonated with you and why? (Check any that apply and write your “why” on the lines below.)

- ☐ Investing more time and energy into your children
- ☐ Social media influences
- ☐ The church (body of Christ) not being salt and light in the culture
- ☐ Churches not teaching **why** we believe what we believe
- ☐ Two “whys” for every “what”
- ☐ Identifying why Christianity is good
- ☐ Using the “poison capsule” strategy
- ☐ Focusing on what strategies to use to help our children stay connected to their faith

Why?

2. Which of the 6 strategies (evidenced by those young people who stayed in the faith) are common practice within your family? (Check all that apply.)

- ☐ Sitting down for a family dinner, 5 of 7 nights a week
- ☐ Serving in ministry as a family
- ☐ Having one spiritual experience in the home during the week
- ☐ Being entrusted with responsibility in ministry at an early age
- ☐ Having at least one faith-focused adult in their lives other than parents
- ☐ Seeing their parents *actively* engaged in sharing their faith

3. Moving forward, write down two practices you plan to commit to on a regular basis within your family to do your part to live out Deuteronomy 6:6-9. Be sure to document resources you could use to accomplish these goals.
