The Blessings of Abraham

Galatians 3:6–9

"Abraham believed God, and God counted him as righteous because of his faith."

— Galatians 3:6

Big Idea

When we trust Jesus, we become part of God's family, and God blesses us so we can bless others.

Abraham Trusted God

- God made Abraham big promises.
- Abraham believed God even when he could not see everything yet.
- Faith means trusting God because He always tells the truth.

God's Family Is by Faith

- Being in God's family is not about where you were born.
- Everyone who trusts Jesus belongs to God.
- That means we are Abraham's true family through faith.

Jesus Brings the Blessing

- God promised that all nations would be blessed.
- Jesus is how that promise comes true.
- Through Jesus we can be forgiven and receive God's Spirit.

Blessed to Bless

- God blesses us so we can help, encourage, and pray for others.
- We can share God's love at home, church, school, and with friends.
- God wants our lives to point people to Him.

What Blessing Do We Share?

- We belong to God.
- God is with us and helps us grow.
- God gives us hope and helps us bless others.

Talk About It

1. What promise did God make to Abraham?
2. What does it mean to trust Jesus?
3. How has God blessed you?
4. Who can you bless this week?

Family Challenge

Read Galatians 3:6–9 and Genesis 12:1–3 together. Let each family member say one way God has blessed them and do one kind thing to bless someone else this week.

Prayer

Dear Jesus, thank You for loving us and making us part of God's family. Help us trust Your promises like Abraham did. Please bless our family and help us be a blessing to others. Amen.
