

Everything Belongs to God

1. **Read Deuteronomy 14:28-29 and Matthew 23:23.**
Who does God tie the tithe to in Deuteronomy? How is it related to Matthew 23:23 and What does that tell us about His heart?
2. **Read Malachi 3:7-10.** Here God invites His people to test Him. How do we reconcile that with Deuteronomy 6:16 and Matthew 4:7, where we are told not to put God to the test? Is this a promise to individuals or to the whole people of God?
3. **Read 2 Corinthians 9:6-9.** What point is Paul trying to make? What is the difference between giving as a transaction and giving as worship? How is this different from prosperity preaching?
4. **Read Psalm 24:1 and 1 Chronicles 29:14.** What does it mean that “everything belongs to God?” If we really believed that, what would change about the way we give?
