

Jesus Messiah- Matthew 7:6

1. According to the sermon, what did “dogs” and “pigs” mean in Jesus’ day, and what is he warning us not to do with what is holy?
2. The sermon gave three scenarios when it is appropriate to step away from someone. The first is when your spiritual walk is affected. What does **1 Corinthians 15:33** say about bad company? **Discuss.**
3. The second scenario is when someone causes division rather than unity. How did God handle disunity in the New Testament?
4. **Read Matthew 10:14.** The third scenario is the “insolent God-hater.” What did Jesus tell his disciples to do when a house or town would not receive them? Discuss how this applies today.
5. **Read Acts 13:46 and Acts 18:6.** Paul turned away from those who rejected him in Antioch, but in Corinth he still went to the synagogue first. What does that show us?
