

Galatians: Freedom That Serves – Galatians 5:13-15

1. Read Galatians 5:13. How does knowing that Christ has freed us to serve, not just from sin, change the way we understand Christian freedom?
2. The sermon challenged us to enter community asking, “What can I give?” How would that mindset change the way you participate in this Home Fellowship?
3. We can sit beside someone at church for months without knowing their needs. What helps us move from simply attending to being known and knowing others?
4. Read John 13:12–17. Jesus served His disciples by washing their feet. What might “washing someone’s feet” look like in your life this week, especially when serving is inconvenient or unnoticed?
5. Galatians 5:15 warns against biting and devouring one another. What attitudes or behaviors can damage a community, and how can our group become a place of healing for people who have been hurt?
6. The sermon called every generation to serve one another. Who could you encourage, learn from, or serve outside your usual circle this week? What specific step will you take?
