

CLUB REGISTRATION INFORMATION

AWANA is an awesome ministry of clubs that encourages kids and families to develop a daily time devoted to God and His Word. These clubs meet on Tuesday evenings, September thru May, and they are FUN!

Cubbies, Sparks and T&T club nights consist of 3 segments: game time, large group worship and teaching time, and a focused time with their small group and Leader. Trek & Journey (JH & HS) participate in group Bible study, fellowship and often food!

AWANA clubs are so well loved that we often don't have enough adult small group Leaders for the number of children wanting to participate. Please give prayerful consideration to serving with the AWANA team. Learn more by talking with Foothills KidMin Director, Karri Koenigs: karri@foothillscp.org.

If you are coming from another church in the area and are unable to volunteer, please speak to your pastor about starting an AWANA club at your church. AWANA has resources and people who are eager to help with this conversation. A great place to start is www.awana.org and the best person to contact is Mike Sexton: mikes@awana.org.
