

What's happening in April with FOOTHILLS SENIORS

To connect seniors to Jesus and each other and help them grow to love and serve Him.

Greetings to all Seniors at Foothills Church~

Palm Sunday is this Sunday, marking the official start of Holy Week and the Easter season. With the recent warm weather, trees are leafing out and flowers are blooming—new life is everywhere we look. Even our season shouts with joy that new life in Christ began with Jesus' resurrection, i.e., Easter. What better time to walk more closely with our Lord, and perhaps the upcoming programs will assist you in doing that.

April 1: Proclaim International Missionaries, "Now I See"

We welcome back Pasha and Rinelle who were with us a year ago, and they're bringing two missionaries from China with them. The four of them will encourage us by sharing through words and music how God has opened their eyes spiritually. Those who were present the first time will remember Pasha's beautiful music from his electric violin, Others will sing and play musical instruments and share stories of how God has worked in their lives.

April 8: Dr. David Jeremiah: *A.D. The Revolution—Counterfeit Commitment*, "The Death of a Servant"

Join us as Dr. Jeremiah unpacks the story of Stephen who was martyred for his faith in Christ. What Stephen saw moments before his death gives us one of the Bible's most vivid affirmations of the existence of future life. He looked up to see "the Son of Man standing in the place of honor at God's right hand!" We know that Jesus is sitting on His throne, but that Stephen saw Him standing may well mean that Jesus had risen to welcome his dear friend and faithful servant.

April 15: Ranelle Coleman, Music and Message

Ranelle is a Worship Leader at a local church who sang for us at one of our potlucks and we wanted to hear more! She will be leading us in worship, sharing her testimony, and speaking about the power of praying parents and grandparents. We are all acutely aware that society today often calls evil good, tolerating and even applauding what God does not, It's a confusing time to be young, and our prayers can make a difference.

April 22: Kerrie Key, Foothills Church Dementia Caregiver Support Group

This program will be an introduction about the group and our mission for providing a faith-based place for caregivers to find support. Included will be information about dementia, discussions of the responsibilities and challenges facing caregivers along with life changes that inevitably occur, handouts of available resources, Q & A, sharing, and info about how the support group can help. Those attending will be invited to join the group.

April 29: Fifth Wednesday Luau Potluck!

ALOHA! Put it on your calendar and start making plans to attend our annual potluck! Pull out your favorite Hawaiian shirt or mu'umu'u because there will be prizes for the best island attire for both men and women. Sitting at decorated tables, we'll enjoy a delicious lunch together, and afterward the Valley Ukulele Society will perform for us. Sign up at one of our weekly gatherings or call Sandy May 530.677-1687. MAHALO

So there you have it – a series of programs that will inform, inspire, and encourage us in our faith walk with the Lord and help us in practical ways. There's music that we love every week plus warm fellowship over cookies and coffee. We meet every Wednesday at 1:00 pm in the Worship Center except for the potluck; it's at 12:00 noon in the Auditorium. We look forward to seeing you soon!
