Business Directory

If you are a homeowner and you hesitate to call a business for help because you don't know or perhaps feel uncomfortable with just anybody, we have a solution for you. If you need an electrician, plumber, HVAC technician, painter, handyman, beauty services, housekeeping services, alterations, etc. we are compiling a business directory of Mt. Zion members who have businesses of their own. We are inviting all business owners within Mt. Zion to list your business within this directory. To be included in our "Zion Service Directory", please scan the QR code. If you are wanting to assist with this project, be sure to indicate when completing the online form.
