August 16-22
Psalms 56:3

August 23-29
Philippians 4:6

August 30-31
Proverbs 3:5-6

Back to School...Back to God

As another school year begins, *we thank God* for every student, parent, teacher, administrator, counselor, bus driver, school nurse, cafeteria worker, custodian, law enforcement officer, and every individual who will invest in the education, safety, and well-being of our children. While we celebrate the opportunities that a new school year brings, we must remember that the greatest education our children will ever receive is learning to know God, trust His promises, and live according to His Word. *As calendars quickly fill with homework, athletic events, music lessons, and extracurricular activities, let us be intentional about keeping worship, prayer, and fellowship with God's people at the center of our lives. Our children learn what we value by watching what we prioritize.*

We also begin this school year in a world filled with uncertainty, but our confidence has never been in changing circumstances—it has always been in our unchanging God. The same God who faithfully cared for His people throughout Scripture continues to guide, protect, and provide for us today. As a church family, let us surround this school year with prayer, asking God to grant wisdom, protection, and strength to every student, educator, and family.

Before we send our children into the classroom, let us first send them to the throne of grace. The classroom will teach them how to make a living, but only Christ can teach them how to live.

Pastor Daniel Simmons
