

TEXTS FROM GOD 4 WEEK SERIES

This fun and engaging 4-week series will help children to discover that God isn't silent or distant, but actively speaks, guides, and walks with us every day. Kids will explore how God gives us courage when we feel unsure, wisdom when we need direction, purpose in every season, and the comforting reminder that He is always with us. Our heart is that every child would grow in confidence, learn to recognise God's voice, and build a personal relationship with Him — and we encourage families to continue the conversation at home as we discover together how God is still speaking today.

Hook for Children: Have you ever waited for a message from someone important? Maybe you've watched your phone hoping for a call from a friend or someone in your family. Now imagine this — what if you got a message from GOD?

Guess what? You don't have to imagine it! God is always speaking. He speaks through the Bible, through His Spirit, and even through the people around us. He gives us courage when we're nervous, wisdom when we're confused, and reminds us that we're never alone.

In this series, we're discovering what happens when we pay attention to God's messages — because when God speaks, it can change everything!

ANOINTED (Advance Missions) 3 WEEK SERIES

This term in Grace Kids, we're joining our wider church family in focusing on the Scriptures Luke 4:18-19. In our 3-week series ANOINTED, children will discover that Jesus came to bring good news, healing, freedom, and hope — and that His mission continues through us today. As we align with the church's heart for missions and outreach, we'll be helping kids understand that they are empowered by the Holy Spirit to pray, give, serve, and share the love of Jesus both locally and globally. Our prayer is that every child would know they are not too young to make a difference — they are anointed to carry the good news into their schools, friendships, and community.

Hook for Children: Have you ever felt too small to make a big difference? Maybe you've thought, "I'm just a kid... what can I really do?" But guess what? God doesn't wait until you're older to use you. In fact, the Bible says the Spirit of the Lord anointed Jesus to bring good news, healing, and freedom... and that same Holy Spirit helps us today! We are ANOINTED — chosen and empowered by God to carry His good news wherever we go. That means at school, at home, on the playground, and even to people around the world! Get ready to discover that you are part of a big mission — and you were made for it!

17th May: ANOINTED: To Bring Good News

- Bible Story: Philip and the Ethiopian - Acts 8:26-40
- Gospel Connection: The good news is that Jesus came to save us and bring us into God's family. When we believe in Him, our lives are changed — and just like Philip, we can help others understand who Jesus is and follow Him too.

24th May: ANOINTED: To Help and Heal

- Bible Story: Peter Heals the Beggar - Acts 3:1-10
- Gospel Connection: Jesus has the power to heal our hearts and forgive our sins. Through His name, we have hope and new life — and He can use us to show His love and power to others.

31st May: ANOINTED: To Proclaim the Lord's Favour

- Bible Story: The Prodigal Son - Luke 15:11-24
- Gospel Connection: Jesus came to give us forgiveness and a new beginning. Because of His death and resurrection, we can come home to God and receive His love and favour — and we can invite others to come home too.

7th June: Where is God When I Can't See Him?

14th June: Why Do Bad Things Happen?

- These lessons encourage children to explore concepts and big questions of life, focusing with a biblical lens as they engage in rich discussions to discover and understand the world around them
