

## **Reading Plan for Scripture Practice Series**

Our first spiritual practice of 2023 is Encountering God in Scripture. On Sunday mornings we will be exploring major themes in the Bible and we invite you to dive deeper into these themes throughout the coming weeks with these daily scripture passages and helpful videos by the Bible Project. We hope that this series will not only deepen our understanding of God and Scripture but also help us to encounter the God who loves us and wants to partner with us in his redeeming work in the world.
