

«GENERATION» SCHOOL

*I want to start a missionary church,
but I don't know how?*

What are we doing?

We teach how to create a missionary church. A missionary church is a congregation that helps people, evangelizes, learns to live by faith, and creates new missionary Churches.

How do we do it?

Training program (session topics):

1

Missio Dei (Mission of God) and the church

2

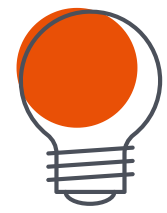

The values of the church

3

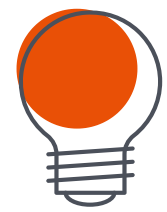

Geography and partnership

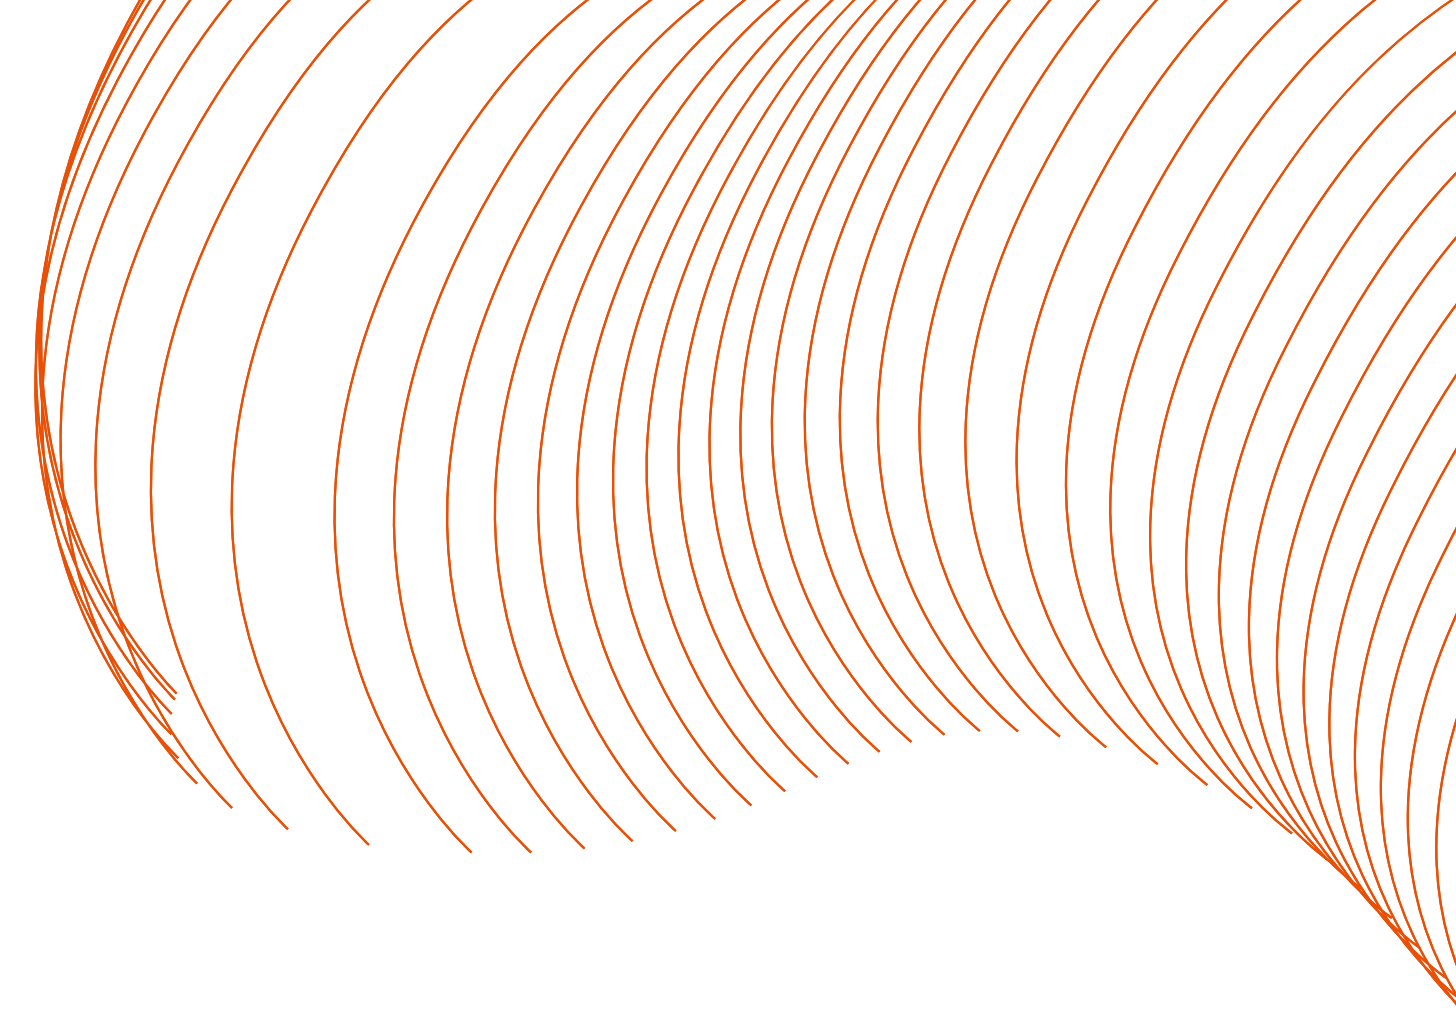

4

Leadership and structure of the church

5

Multiplication
(the organization of new churches)

Generation

Methods of teaching

Discussions

Independent work

Work in groups

Presentations

Seminars

Advising

Between sessions, teachers of the Generation School visit students and help them practice skills to organize and develop their church

Result

You will acquire the tools and skills to create a missional church

Learn how to form teams

Plan and organize activities

Understand themselves and people
