Welcome to Cubbies!

We are excited for this year and want to thank you for the opportunity to work with your child.

Each year of Cubbies will cover both Old Testament and New Testament Bible stories. Thirty-two lessons per year (including two lessons coordinating with the *Apple Acres Entrance Booklet* and four special days lessons) place special focus on what each Bible story teaches us about God's character.

Each week your child will have a story and a verse to learn. Any help you can give your child is greatly appreciated so they can come prepared. They will earn stickers for each verse they learn.

Each club day will be filled with crafts, stories, puppet show, snacks, and game time.

The following is a list of items you will need to purchase for the year*:

- Their entrance book is free. The handbook is \$15
- Vest for Cubbies are \$15
- There are annual dues of \$45

*Payments can be made or if needed, partial scholarships are available.

Once again, thank you for allowing us to help your child begin or continue their faith journey.

If you have any questions or concerns please feel free to call or text me at (406) 404-0801.
