

FAMILY CONNECTION

Summer Quarter Starts 5/31 - Challenges, Faithfulness & Disobediene in the OT

We have been having so much fun with your kids & are excited for summer! We know that many families will be traveling and out & about over the summer, as will our volunteers, so we will be mixing things up a bit and combining our classes for some summer fun! Weather permitting, most Discover Time activities will be outside. It would be great if kids could come to church in clothes ready for outdoor fun, including appropriate shoes for running.

This quarter, we change course from our New Testament study of Jesus' life, death, resurrection, and the history of the early church and return to our journey through the powerful lessons of the Old Testament. Our study takes us back to the time of the divided kingdom of Judah and Israel, and into Judah's captivity in Babylon. We will encounter some of the most well-known Bible personalities and through their challenges, faithfulness, and even disobedience, we will learn why we should build our lives on God's Word. Thank you for sharing your kids with us, we think summer is going to be a blast!

A Few Reminders...

- Check-In for Kids Church starts at 10:20. Kids Church is 10:30 - 12:00
- Authorized adults must check kids in and out, kids may not check themselves in/out.
- We ask that no food/drink or toys etc. be brought to Kids Church as they are a distraction.
- Kids Church is for kids age 4 (on 9/10/25) through current 4th graders.
- If your child needs you during the service, we will send you a text message.
- At Kids Church, kids are learning & growing in their faith. We utilize total-time-teaching and all that we do has a teaching purpose. It isn't "child care" and kids are expected to participate to the best of their ability and not be a distraction to others. We know that some kids still need some love and help practicing this, and we will do our best to guide their behavior in a positive way, however if they are unable to participate, we may contact you and ask that they return to your care and try again the following week.
