

# VERSEATHON

March 25, 2026

There is no greater reward than to reach into a child's life and create a change. The changes we make in children's lives today will last for all eternity. YOU can play a part in the transformation process. Money raised during our Verse-A-Thon will be used to reach children with the gospel message. **In 2026 VerseAThon Proceeds benefit the ministries of Envision Cleveland and Hannah House in Billings.**

**Who?** Awana Sparks & Truth & Training Clubbers at Belgrade Alliance Church.

**Why?** To provide an opportunity for your clubber to reach children around the world so they can hear about Jesus! This year, we are raising funds to help kids in Cleveland, OH, through Envision Cleveland and Hannah House in Billings. Proceeds also support our BAC Lighthouse Kids Scholarship fund to ensure kids can participate in activities.

**How?** Your child will recite verses from the Bible. This is an opportunity to review verses they have already memorized, allowing God's Word to go deeper into their hearts and minds. Please help your child set a goal for how many verses they want to recite using the book-specific tracking sheet included in their packet.

**Pledges:** Help your child find sponsors among family, neighbors, and friends. Request a pledge per verse or a fixed amount for your child's recitation on Verse-A-Thon night. Record the pledges on the Verse-A-Thon sponsor sheet.

**When?** Our club Verse-A-Thon is scheduled for **April 15** during regular club.

Your child should be prepared to recite their verses from memory to a listener (with helps according to Awana guidelines).

**Collect Pledges** from sponsors at sign-up or after the event. Funds are due back to club on **April 29, 2026**. Please make checks payable to Belgrade Alliance Church

Whether your child knows 5 or 50 verses, we want all children to participate. So encourage them to put forth their best effort and remind them of the kids around the world who will be impacted for eternity because of our Verse-a-Thon event. Prizes for highest number of verses recited and most sponsors will be awarded at awards night. The kids really get into the competition and have a great time. Most are surprised with the number of verses they are able to say from memory! Gaining sponsorships helps children share their faith!
