

Summer 2026 – Thursday Prayer & Praise

Ever feel stuck in a prayer rut?

It's a common cycle: we want to pray, but we end up saying the exact same things about the exact same things. When prayer begins to feel repetitive, it's easy to feel bored, disconnected, or like a spiritual failure.

Let's break that cycle together this summer! Join us as we learn to pray directly through Scripture—speaking God's own thoughts back to Him line by line.

Every week will feature a new leader and a fresh location. Come ready to connect with God, encourage one another, and experience the practical power of His promises.

Thursday at 6:30PM:
