

Distinctives of Ajax Alliance Church

Ajax Alliance Church is committed to evangelism, global missions, expository preaching and complementarianism. We have a strong focus on what we call 'the doctrines of grace'. These doctrines emphasize the radical corruption of humanity and the fact that we are saved by grace alone, through faith alone, in Christ alone, as revealed by Scripture alone, to the glory of God alone – and we celebrate the sovereignty of God who alone is able to accomplish this work of salvation and call people to Himself. Whereas other traditions emphasize the role of the individual in exercising their free will to accept God's gift of grace, those from the Reformed Tradition would emphasize God's sovereignty enabling people to accept his gift of grace through faith.
